

# 'A REVOLUTION WITHOUT GUNS'

You are a member of the ANC committee and have to make plans for a DEFIANCE CAMPAIGN against the National Party Government.

- ? You cannot use weapons to help you
- ? You do not have much money
- ? You have to plan for the consequences of your actions (eg go to jail)
- ? You will not harm anyone
  
- ? You do have large numbers of supporters
- ? You can get lots of positive publicity if you carry out the right sort of actions

What can you do to fight apartheid?

## **‘A REVOLUTION WITHOUT GUNS’**

The Defiance Campaign has come to an end and it is time to think about the success or failure of your ideas:

Write down two positive things that would have come out of your plans.

Write down two negative things that would have come out of your plans

Write a sentence to sum up how most people would feel about the situation in South Africa after the Defiance Campaign
