South Africa in the 1940s - Planning grid

Themes	Relevant laws / events	Impact on the black population
<u>The impact of WW2</u> 1) 300,000 South Africans went to fight in the Second World War. This left many job vacancies 2) 3)	WW2 1939 - 1945	Black soldiers were treated more fairly during the war, black workers were needed for the war effort so their pay and conditions improved
<u>Civil Rights</u> 1) 2)
